

9th Baltic Sea Tourism Forum 2016

19-20 October 2016 | Pärnu/Estonia

Tourism Networking Village**REGISTRATION FORM**

Since 2012, the Baltic Sea Tourism Forum has also developed into a market for new project initiatives and ideas. With the Tourism Networking Village (TNV) a new framework for exchange has been developed and should be further established in Pärnu to become an integral part of the annual forum. The TNV gives funding programmes, project initiatives and interested organisations the possibility to present themselves with a stand during the two conference days. The idea is to promote the exchange of new and ongoing project initiatives in BSR tourism at transnational level to stimulate future cooperation. It should contribute to the basic idea of the forum to actively support the exchange of practitioners in the BSR and to foster communication and cooperation among them.

Tourism Networking Village (TNV) – conditions and requirements**Please note that:**

- the organizers provide each registered organization in the TNV 1 table, 2 chairs and sufficient space for displays, roll-ups etc.;
- the floor-plan of the venue and a contact person at the spot will be announced one week before the conference starts at the latest;
- the respective exhibitor has sole responsibility for the decoration and displays of his stand;
- no cost will be neither charged nor reimbursed from the organizers for the participation in the TNV;
- in order to facilitate the preparations, you are kindly asked to register for the TNV and fill in the form below.

More information and contact for sending the form:**Mr Johannes Volkmar**, Mecklenburg-Vorpommern Tourist Boarde-mail: j.volkmar@auf-nach-mv.de

phone: +49 381 40 30 663
